**DEPUTATION NEWS**

As described in our last prayer letter, March turned into a very busy month for this family. We traveled from Chattanooga, TN to Pensacola, FL, and then on to Conway, AR for several meetings in these areas. We deeply appreciate your prayers during these months of travel. Every meeting we attended seemed to be fruitful, and we have already begun to hear back from these great Pastors with commitments from their churches to take our family and ministry on for monthly support. As we crunch numbers this quarter, we believe that we will be able to report that we have crossed the 85% threshold. This is a great mile stone as it means that we are that much closer to being able to meet our goal of finishing deputation by the fall season of this year. Please continue to pray for our family as we travel, and for the churches we will be presenting to during the month of April.

I also wanted to thank you for praying about the months of July, August, and September! Please keep it up, but we have begun to see these months fill with meetings. Space would not avail me the ability to describe what has happened in the scheduling of these months, but suffice it to say that it is obvious the Lord is hearing your prayers and is providing the meetings.

**FAMILY UPDATE**

As we began making our schedule for the month of April, we prayed that God would allow us to fill the month with meetings that were closer to home. As many of you are keenly aware, Alicia is expecting our second child, Gavin. He is due on the 29<sup>th</sup> of April, but obviously this date is between him and the Lord. ☺ Alicia has been told by her doctor that her traveling days are to be put on hold for the next several weeks. Please pray as I travel to each of these meetings in April and part of May alone. First, that Gavin will not decide to make his grand appearance while I am away. Second, that each church will extend an extra amount of grace. Alicia is an integral part of our ministry together and it is always a blessing to hear and see her interact with ladies in the churches in ways that I could not.

**IN CLOSING**

Thank you all for your faithful support and prayers. I know we say this often, but I pray that it will never become trite. I do not think that we could ever express adequately the gratitude our family has felt every time we either receive our monthly statement, or receive an email/note expressing your desire to pray for us more specifically. We pray that God would bless you in great ways for these acts of kindness and love. Until next month!
